

KU SBDC Offers a New Learning Venue for Small Businesses

You can join the thousands of SBDC clients who have already discovered the benefits of working with the SBDC. The SBDC services have helped small businesses grow at a rate of more than five times the average business growth rate. Now you have the chance to discover the secrets of these successful entrepreneurs with one of our new FREE Business Plan Affinity Forums.

Each forum will:

- Meet for two two-hour sessions
- Be limited to seven or eight clients
- Provide the opportunity to exchange ideas and knowledge with other entrepreneurs
- Offer One-on-one meetings with a business consultant and/or graduate assistant
- Provide assistance with market research, developing financial projections and writing your business plan

The Affinity Forums are currently being offered in our Reading, Harrisburg, and Lancaster locations. For times and locations or to register for the FREE Affinity Forums log onto www.kutztownsbdc.org.

*Make sure to register for both sessions in your location.
