

## **KU SBDC to Begin Delivering Program to US Veterans**

---

**T**he PA Department of Education has approved the KU SBDC to deliver the Kauffman Foundation's 9-week Fast Trac New Venture program to veterans in the ten counties we serve. Working with US Congressmen and other constituents, we will reach out to veterans in our area who are interested in starting their own businesses. The KU SBDC will initially target the Lancaster, Chester, and Harrisburg areas, with spring 2006 as the anticipated starting time. Watch for more information on our website at [www.kutztownsbdc.org](http://www.kutztownsbdc.org) and in our e-newsletter, *The Success Connection*.
