

A Bookkeeping course will be held on June 20th from 6:30 - 9:00 pm at the Chester County Economic Development Council in Exton. The course will cover the fundamentals of accounting with the newcomer in mind. Specifically, this class will address common accounting terminology, revenue, expenses, net income, debits, credits, record keeping, business expenses, assets & liabilities, and more. It will guide participants to learn how to read financial statements properly, and how to grab meaningful information from the balance sheet and income statement.

The course is free to those who register on our Website. For more information or to register on line click here: http://www.kutztownsbdc.org/workshops/workshop_listing.asp?Category=5#161
