

CREATE II Bus Trip

Current business owners in Coatesville, PA, Create II graduates, and individuals involved in the redevelopment project in Coatesville were invited to participate in a field trip on Sunday, June 12. The one-day bus trip will acquaint local business leaders with the revitalization experienced by other local communities.

The tour will begin at Coatesville City Hall with a breakfast and a film about the Redevelopment Authority for the city of Coatesville. The group will tour Phoenixville, Northern Liberties, and Manayunk and drive through Conshohocken. Participants will have the opportunity to speak with Michael Givler, Main Street Manager in Coatesville, and Dan Goldberg, a business owner from Manayunk, while enjoying lunch at Azure restaurant in Northern Liberties.

The tour is being paid for by the Pennsylvania Weed and Seed Program.
